Welcome to our Church Family

25th February 2018

I want to suggest some of the common ways we think about spiritual gifts are not biblical. The image below of unwrapping a present to discover your spiritual gift is not how God empowers his church. 1 Corinthians 12 is about true spirituality and true spirituality is God empowering his people to function as his church.

The key gift is the Holy Spirit and he empowers our personality with true spirituality, so I can use my personality in ways which demonstrate true spiritual power. And these can be in the areas of accounting, cleaning, cooking, hospitality, administration– the list is endless.

Also, there are amazing times when God supernaturally intervenes to empower his church in occasional ways, through healing, tongues, visions and prophecy. But whether it is the occasional intervening or the Spirit's work in our lives everything occurs to the praise of God and the building up of his people in Christ.
